

How to get from Morrab Gardens to Alverton Cottage.

A gentle stroll should take you about 10-15 minutes.

On leaving the top entrance of Morrab Gardens proceed along Morrab Drive and take the 1st left turn into Morrab Terrace. Proceed along this path until you reach the pedestrian crossing in Morrab Road.

Cross over the road and head on upwards for about 50 yards til you reach the gates into Penlee Park. Go through the gates and head on through the park straight ahead. The Orangery Café will be on your right.

Continue to the bottom of the park and through the gates into Trewithen Road. Go the top of this road where it joins Alverton Road and turn left (look out for the very old thatched cottage on the left side of the road).

Continue along to the mini roundabout and cross over. Proceed along the road for 100 yards or so and Alverton Cottage is found on the left, just before the YMCA.
